

# Parents & Friends

This group meets once a month and meetings are advertised in the newsletter. New members are always sure of a warm welcome and are guaranteed to enjoy their participation in this group. Look out for Nadine Schultz if you want to know more. Its aims are:

- to develop and maintain an interest in the welfare of children at the school
- to co-operate with the principal and staff in providing a cordial environment within the school and its grounds
- to negotiate with the principal and staff in providing extra amenities and equipment when necessary. The cubby house was provided by the P&F
- to assist DECD and our teachers in the total development of our children while attending this primary school.

## Punctuality

**It is important** that students are at school in time for the start of fitness at 8:45am. There is 15 minutes of fitness every morning except for Weds. This ensures that all students are ready to start the day's work at 9am. Data is kept on punctuality and attendance as a DECD requirement.

## Playground

Lenswood students love their playground and often choose to stay and play after school. We are happy for parents to bring their children to school after hours to use the equipment as we believe this helps to protect our school from damage. If you notice something is wrong, please let Carmen know. She is happy for you to ring her on 8398-0404.

## Religious Education

Lenswood Uniting Church offers one Christian education session each semester. This is a non-denominational program with a strong social justice focus. These sessions are not compulsory and parents can request their children be excluded.

The churches also run a **Kids' Club** for R - 4 students, monthly on Fridays from 3.30 - 5.00pm.
