

# Banking

Bank SA provide banking facilities for students each Tuesday morning.

# Behaviour Management

We believe children should be taught to take responsibility for their behaviour and act accordingly. All students are expected to follow the instructions they are given, treat themselves, others and the school with courtesy and respect. All staff work together to manage any behaviour issues - they are not the concern of just one teacher.

A list of unacceptable behaviour and their consequences can be found in every classroom, in the policy booklet and on the website. Parents will be kept informed through notes or direct contact, as per our policy. We ask that parents keep teachers informed of incidents of harassment and bullying.

Teachers are generally happy to provide parents with a personal contact number which they are encouraged to use if they have any concerns.

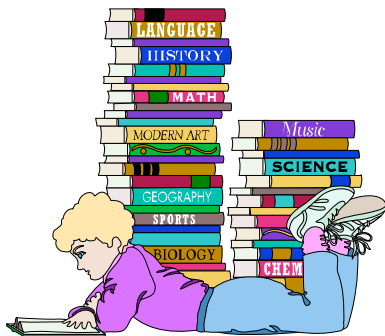

# Bicycles

Riding bicycles to and from school requires great care because of the dangerous nature of the surrounding roads. Helmets must always be worn. The school does its best to reinforce this message but strong parent support is also necessary. We encourage all bike riders to wear Hi Visibility Jackets for added safety.

Bike racks behind the sandpit are available for children to use. Bicycles are not to be ridden in the school grounds during school hours.

# Book Club

Children may purchase books from Scholastic Book Club at a very reasonable rate. Order forms will be sent home. Books may be selected from:

Wombat Book Club and  
Preschool Lucky Book Club 5-7 years  
Arrow Book Club 8-10 years  
Star Book Club 10-12 years

Order form plus payment are to be returned to the school by due date.
