

# Uniform

We are proud of belonging to our school and therefore it is an expectation that students attending Lenswood Primary School will wear the prescribed school uniform. This policy was endorsed by parents in 2010 and ratified by school council. Second-hand uniforms are available for a gold coin donation.

The school colours are maroon and sky blue. We encourage parents to dress their children in functional clothing that allows students to participate in all physical activities eg. shorts, short-sleeved shirts for hot weather, track pants and windcheaters for cold weather. Uniform order forms are sent out to parents each term and some items of clothing are available from the office.

There is an order form in your enrolment pack, please fill it in or ask Julia in the school office for assistance in organising your child's uniform.
