

Office

The school admin and finance officer Julia Cowlam, can help with most general enquiries.

The school phone number is 8389 8278.

The school fax number is 8389 8552.

The school email address is:

dl.0136_info@schools.sa.edu.au

The website is:

www.lenswoodps.sa.edu.au

Mobile app: Flexibuzz

Parents & Friends

This group meets once a month and meetings are advertised in the newsletter. New members are always sure of a warm welcome and are guaranteed to enjoy their participation in this group. Its aims are:

- to develop and maintain an interest in the welfare of children at the school.
- to co-operate with the principal and staff in providing a cordial environment within the school and its grounds.
- to negotiate with the principal and staff in providing extra amenities and equipment when necessary.
- To assist DECD and our teachers in the total development of our children while attending this primary school.

Playgroup

Our P&F run fortnightly playgroup sessions in our school gym on Friday mornings. We encourage all pre-schoolers to attend this fun morning where kids and parents can get to know each other.

Playground

Lenswood students love their playground and often choose to stay and play after school. We are happy for parents to bring their children to school after hours to use the equipment as we believe this helps to protect our school from damage.
