

## Punctuality

It is important that students are at school in time for the start of the day at 8.45am. This ensures that all students are ready to start the day's work at 9am.

Data is kept on punctuality and attendance as a DECD requirement. We ask all students to be signed in and out of school if they arrive late or have to leave early.

## School Dental Service

The School Dental Service, a branch of the Dental Health Services of the South Australian Health Commission, provides general dental care to primary and pre-school children. Dental care is provided periodically, according to children's needs. Emphasis is placed on the prevention of dental disease through treatment procedures and diet. Our nearest Dental Clinic is based at either Birdwood Primary School or Mount Barker Primary School.

If you are not already enrolled at the clinic, or have transferred from another school, please contact the school office for registration forms.

## School Hours

Yard supervision is from 8.30am and until 3.30pm. Please contact the school if you will be late collecting your child after school to ensure that extended supervision will be available.
