

# SCHOOL CONTEXT STATEMENT

Updated:

**School number:** 0136

**School name:** Lenswood Primary School

## School Profile:

Lenswood Primary School is a small Adelaide Hills based community school. We are recognized as a pillar of the community and develop authentic connections with the wider Adelaide Hills region. We are focused on developing students' academic and social intelligence, while broadening their understanding of the world so they are able to successfully contribute as global citizens.

Our school community live by the values of Excellence, Creativity, Resilience, Community and building Independence. These values are at the forefront of our minds as we focus on developing life long learners with a broad range of skills and strategies to solve problems. Our school offers specialist instruction in the arts, PE, STEM, digital technologies and Spanish language/cultural studies.

Student wellbeing is a high priority at Lenswood Primary School with teachers using Berry Street trauma informed practices and What's the Buzz as the basis for supporting classroom wellbeing, self-regulation of emotions and to develop learner resilience.

Our school is well supported by the parents, carers and the wider community. We encourage parents and carers to be involved in their child's education as the connection between home and school is major contributing factor into a successful education and school.
