

# School Improvement Plan Summary

## Lenswood Primary School

Goals	Targets	Challenge of Practice	Success Criteria
Increase student achievement in numeracy with a focus on increasing the number of students into the higher bands.	2022: 49% of year 1-6 students (22 of 45) to achieve higher bands in NAPLAN / PAT (using PATTracker scale) numeracy.	If we structure lessons to ensure authentic differentiation with a focus on stretch, challenge and mastery learning, then we will then we will improve student achievement in mathematics.	Students will be observed taking risks, persevering and demonstrating clear conceptual understanding and mastery in mathematics. We will see students having multiple attempts at problems, practicing skills using visual tools, peer mentoring and number talks.
	2023:		
	2024:		
Improve student achievement in reading and writing with a focus on more children achieving in the higher bands.	2022: 42% of year 2-6 students (14 out of 33) to achieve higher bands in NAPLAN / PAT (using NAPLAN & PATTracker scale) reading.	If we structure lessons to ensure authentic differentiation with a focus on stretch and challenge, then we will increase student achievement in reading and writing.	Students are observed communicating effectively for learning and engaging in dialogic talk. Students are observed developing their reading ability using differentiated and age appropriate resources aligned to the Big Six. Students will be observed engaging in reading and speaking aligned to their writing
