

2024 SCHOOL IMPROVEMENT PLAN

Numeracy

GOAL

- You can learn at your own pace
- It's a great way to set and achieve goals
- It can be very satisfying to track your progress

TARGETS

- Every student to achieve one years' or more growth in numeracy using PAT data
- 73% - 8/11 year 6 students to achieve 120 or above
- 83% - 5/6 year 5 students to achieve 112 or above
- 100% - 5/5 year 4 students to achieve 110 or above
- 82% - 9/11 year 3 students to achieve 101 or above

CHALLENGE OF PRACTICE

- If we structure lessons to ensure authentic differentiation with a focus on mastery learning, then we will improve student achievement in mathematics.

SUCCESS CRITERIA

- We will see students:
- having multiple attempts at problems.
- being flexible and understanding place value
- practicing skills using visual tools.
- participating in number talks.
