

Lenswood Primary School Bushfire Guide 2024

Total Fire Ban Day

School will operate as usual, with a careful watch kept on possible dangerous situations. Excursions may be cancelled.

Catastrophic Day

As designated by CFS and Government.

Fire in the Locality

School Bushfire Response Plan will be activated—a close watch will be kept on the situation. Excursions will be cancelled.

School will notify community via phone and text messaging that the school will be closed on the following day and that families must operate their bushfire plans.

Fire in the Immediate Locality

ie. under 10km away—parents and named guardians will be contacted to collect students.

School will reopen on the day after the Catastrophic classification is removed and it is deemed safe to do so.

Fast Moving Fire

If access to the school is cut and makes evacuation impossible—students will move into the refuge until the fire front has passed.

Please note that the Bushfire Response Plan is available on the Website and also in hard copy at the school.
